### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows.

In Claim 15, the term of --further-- has been inserted before "comprising" (line 4).

Claims 16 and 18 have been cancelled.

### *Remarks*

2. The change to Claim 15 in the above examiner's amendment does not affect the scope of the claimed invention but is necessary to correct an informality with the language.

It is noted that Claim 17 has been rejoined with elected Species A and fully examined for patentability. Claim 17 depends from Claim 11, which is directed to elected Species A as noted in the election of Species requirement, dated 4/3/03.

It is further noted that in the Response by the applicant(s) filed on 7/3/03, other than Claim 17, the applicant(s) did not dispute or traverse the Election of Species between Species A, Claims 11-13 and 15, and Species B, Claims 16 and 18. Accordingly, non-elected Species B, Claims 16 and 18 have been treated as an election without traverse. Therefore, Claims 16 and 18 directed to Species B were cancelled above.
